The Commission will only act in accordance with our enabling legislation.

The Commission will continue to be proactive in reviewing proposed legislation at the State and local level.

Each member will participate in the work of the Commission, including serving on at least one committee.

The Commission will continue to review and address how Montgomery County assesses needs and delivers treatment to its juvenile justice population.

The Commission studies, reports, monitors, and advocates for the issues identified on the attached pages.

Executive Committee – Chair Chris Jennison

Members: Ebony Stoutmiles (Vice Chair), Diana Barney (Secretary), Kevin Redden and Thomas Squire, Legislative Committee Co-Chairs).

The Executive Committee represents the Commission at meetings with the Health and Human Services Director, County Executive, and County Council; drafts and presents testimony on legislation of interest; and provides administrative support to the Commission.
