

Faces of Poverty 2014 Montgomery County MD

The Montgomery County Community Action Board

The Community Action Board (CAB), the County's federally designated antipoverty group, advises the County about poverty and the needs of low-income people. CAB provides oversight for the Community Action Agency's federal grants and the agency's services.

Montgomery County at a Glance:

- Approximately 1 million residents
- The highest population density in the state behind Baltimore City
- Between 2010 and 2012, the County saw the largest increase in overall population in Maryland (an increase of 32,932 residents)

Demographics:

- In 2010, the County became a "majority-minority" county. Today, Non-Hispanic Whites make-up 46.7% of the county's population.
- 19.4% of the population is African American, 16.6% of the population is Asian, and 18.3% of the population is Hispanic or Latino
- 150,000 residents are Limited English Proficient

Poverty in Montgomery County:

- 6.9% of the population (69,376 people) live below the Federal Poverty Line
- 18.3% of the population (184,759 people) live below 200% of the Federal Poverty Line
- 14% of female-headed households live in poverty
- Female-headed households comprise 48% of households living in poverty
- Female-headed households comprise 56.9% of households with children under 18, living in poverty
- 57.7% of all County residents living in poverty speak a language other than English in the home
- 43% of individuals living below the poverty line were born outside of the United States
- The Federal Temporary Cash Assistance (TCA) caseload in the County increased significantly during the recession
 - TCA caseload in June 2007 – 634
 - TCA caseload in June 2014 – 955

Children:

- The poverty rate for children in the County is 9.4%
- 38% of young children (under age 5) live below 300% of the Federal Poverty Level
- 51,842 children in Montgomery County Public Schools participate in the Free and Reduced Meals Program (over one-third of all students)

Seniors:

- Between 1990 and 2013, seniors (age 65 and over) increased from 10.2% of the population to 13.3% of the population
- 25.8% of seniors live below 300% of the poverty level
- In 2012, 23.1% of senior homeowners in the County were “housing burdened” (spending 35% or more of income on housing) and 62% of senior renters were “housing burdened”

Self-Sufficiency in Montgomery County:

- According to the 2012 Self- Sufficiency Standard, it costs about \$83,000 for a four-person family with two working parents, a preschooler and a school-age child, to afford the basic necessities in the County, **four times** the Federal Poverty Level
- The Self-Sufficiency wage is higher in Montgomery County than in large metropolitan areas such as San Francisco, Los Angeles, and Philadelphia.

Poverty vs. Self-Sufficiency:

- The Federal Poverty guidelines are based on the total number of people in a household, regardless of age, while the Self-Sufficiency Standard takes into account the number of adults and children in a household and the age of the household members.
- The Federal Poverty Level is the same for all 48 contiguous states. The Self-Sufficiency Standard is based on the cost of living in a specific area.

	1 single adult (annual household income)	1 adult + 1 infant + 1 preschooler (annual household income)	2 adults + 1 preschooler + 1 school-age child (annual household income)	2 adults + 1 infant + 1 preschooler + 1 teenager (annual household income)
2014 Federal Poverty Level	\$11,670	\$19,790	\$23,850	\$27,910
New County Minimum Wage*	\$17,472	\$17,472	\$34,944	\$34,944
2012 Self-Sufficiency Standard	\$36,060	\$85,926	\$82,877	\$100,725

*The County's minimum wage increased to \$8.40/hour on October 1, 2014.

Earned Income Tax Credit:

- 53,183 County households received the Earned Income Tax Credit in tax-year 2012
- The median adjusted gross income of EITC eligible households in Montgomery County is \$12,595
- 121,886 County residents live in EITC eligible households, including 49,403 children

Household Wealth & Financial Access:

- In 2011:
 - Asset poverty: 16.2% of Montgomery households were without sufficient net worth to subsist at the poverty level for three months in the absence of income
 - Liquid Asset Poverty: 27.7% of Montgomery households were without sufficient liquid assets to subsist at the poverty level for three months in the absence of income
 - Unbanked: 4.3% of Montgomery households had neither a checking nor savings account
 - Underbanked: 17.7% of Montgomery with a checking and/or a savings account used alternative financial services in the past 12 months

Health Insurance:

- 11.1% of the County's population lacks health insurance
- 14.9% of African Americans and 13.2% of Asians are uninsured, compared with 6.2% of white residents
- 26.6% of Hispanic residents are uninsured, compared with 3.3% of non-Hispanic white residents
- 24.5% of foreign born residents and 39.2% of non-citizens in the County are uninsured
- 38.2% of residents with less than a high school education are uninsured
- 36.9% of unemployed County residents are uninsured

Housing:

- 80% of County households with incomes less than \$35,000 spend more than 30% of their income on housing alone
- The Self-Sufficiency Standard indicates that the cost of housing in the County has increased by 62% since 2001 (vs. 50% statewide) while wages only increased by 17%
- As the number of renter-occupied households reached 120,218 in 2012, the number of renters facing burdensome housing costs increased by 23.6% (38,085 households in 2008 to 47,081 in 2012)
- In May 2014:
 - 294 County households received Emergency Services to prevent eviction or homelessness
 - 1,693 households participating in the Rental Assistance Program received a subsidy
 - 28 families remained on the waiting list for a shelter placement

Food/Hunger:

- 8.3% of the County's population (81,130 people) is food insecure
- More children in Montgomery County (16.3% or 38,050 children) are food insecure than any other County in the state
- In June 2014, 72,519 County residents participated in the Food Supplement Program (a five-year increase of 97.8%)
- The SNAP benefit for a family of four is just \$632 per month, a reduction of \$36 from the benefit prior to November 1, 2013
- Food Stamps Caseload in the County
 - June 2007 – 11,310
 - June 2014 – 32,951

Child Care:

- Child care costs in Montgomery County are the highest in the state at an average cost of \$12,272.52* for an infant and \$13,017.16** for a preschooler
- For families receiving a subsidy through the Working Parents Assistance Program, child care costs are often more than 30% of gross income
- Parents using family day care and child care centers spend over 20% of income on child care fees alone

The Montgomery County Community Action Agency
Department of Health and Human Services, Office of Community Affairs

The Montgomery County Community Action Agency seeks to reduce poverty and improve the self-sufficiency of low-income residents. Community Action manages \$5 million in federal and state Head Start and Community Services Block Grant funding. The agency provides comprehensive early childhood services through Head Start, delivers social services at the Takoma-East Silver Spring Center (TESS), and increases asset development through its Volunteer Income Tax Assistance (VITA) partnership. Throughout the County, nonprofits with contracts monitored by CAA staff – totaling nearly \$3 million – deliver emergency food, clothing, and social services; legal assistance; employment training; and education to Montgomery County’s diverse low-income residents and facilitate community engagement.
