

OUR MISSION

We want all children in Montgomery County to have equal access to high-quality early care and education and after-school programming. Our mission is to build a successful and knowledgeable child care workforce through professional development and individualized support.

MAKING A DIFFERENCE

Our team is here to help you achieve success! We will be with you each step of the way as you grow, learn, meet licensing requirements and pursue state and national standards. Our responsive, caring and professional staff will come to your program and personally assist you and your staff with areas you would like to improve upon.

“Our consultant was with us every step of the way. Not only did we achieve accreditation, and got all our staff in the MD Credential program, we are now published with MD EXCELS!”

How can we help YOU ? >>>

"Everything I need for my program is at the R&R. The staff is so nice and supportive. I learn so much."

Family Child Care Provider

Our team knows what you need to succeed!

When you work with one of our team members you can be assured they have the expertise to guide you as well as have a clear understanding of what you are going through. All staff have worked in the child care industry in positions such as center director, teacher, and family child care provider. In addition, as part of a statewide network, staff are connected at both the local and state levels through steering committees, work groups, and advisory boards.

Through our personalized technical assistance we will evaluate your program, identify areas for growth and offer support and solutions to help you meet your goals. If you are in need of training, MCCCRRRC's training department offers affordable, fun, informative classes that you need to meet state licensing standards and to increase your competitive edge.
