

# OUR MISSION

We want all children in Montgomery County to have equal access to high-quality early care and education and after-school programming. Our mission is to build a successful and knowledgeable child care workforce through professional development and individualized support.

# OUR TRAINERS

Experts in their field, our highly qualified instructors possess a variety of experiences that include teaching, classroom environments, inclusion, challenging behaviors, leadership and business management. Our classes are designed to be relevant, useful and engaging. Our trainers are skilled in creating and delivering interactive and experiential learning experiences. By guiding, supporting and integrating exercises and activities, learning takes place in a manner which transfers new skills, techniques and strategies learned.

*“I learned so much! The teacher was clear, explained details & gave real examples that helped me to better understand the topic. I now have a clear understanding of how to write objective observations & perform true assessments.”*
