

Need a few extra **ServicePoint Pointers**?

Want to work through your **Monthly Data Quality Reports**?

Want to enter data with your **Dedicated ServicePoint Support Specialist** standing by?

You're in Luck!

Starting **Wednesday, October 10**, we will be hosting **ServicePoint Support Office Hours** on the second Wednesday of each month.* You can bring files and work, or come with specific questions.

Office hours will be held in the **7th Floor Training Room** at

**Montgomery County Government
Health and Human Services
401 Hungerford Drive
Rockville, Maryland 20850.**

Come when you want; leave when you want, but registration is required. We are limiting the number of participants to 10 in each session. (That's how many workstations there are in the Training Lab.)

You can reserve a workstation

- **9:00 AM to 10:30 AM**
- **11:00 AM to 12:30 PM**
- or for the whole time.

To reserve a workstation, please send an email to hmis@montgomerycountymd.gov.

*** Because of a prior training commitment, there will be no Office Hours in November.**
