

Volunteers:

Tax season is just around the corner and the excitement is mounting! **Thank you for your willingness and commitment to become a VITA volunteer with Montgomery County's Community Action Agency.** Your participation can make a big difference in our community.

You may know access to the EITC is nationally considered the most effective program to reduce poverty. But did you know that Community Action's free VITA's tax help has protected families from emergencies, while supporting our local tax base and county businesses as families pay for basics like rent, utilities, and groceries? Or that we've linked families with financial education and savings opportunities and provided referrals to address critical needs, while saving them from paying hundreds of dollars in tax preparation and other unnecessary fees?

Although we provide our free services year-round at our newly relocated main office at the Mid County Regional Services Center in Wheaton, as the recession continues, more people are turning to us for help, and we expect demand to grow. **So, we're hoping we can count on you to volunteer with us during the next tax season, from mid-January through mid-April and/or June through November (current year, prior year, and amended returns).**

There are many kinds of volunteer opportunities –***appointment schedulers, greeters, intake screeners, preparers, promoters, quality reviewers, site coordinators, resource navigators, and interpreters.*** Wondering which one might be right for you? Just review the volunteer descriptions on the back of the **Community Action Agency Prospective Volunteer Form, and complete it to reflect your interests.** We'll keep your information and touch base with you next month with training, certification, and other updates.

On behalf of our partners from the IRS, the City of Gaithersburg, the City of Rockville, Family Services, Inc., the Montgomery County Department of Health and Human Services, Maryland CASH Campaign, local nonprofits and other community groups, thank you for considering VITA as a rewarding opportunity to help your neighbors. If you have questions, please feel free to give me a call, at 240-777-1123.

Sincerely,

Taunya Johnson
VITA Coordinator
