

Economic Development Fund

MISSION STATEMENT

The mission of the Economic Development Fund is to assist private employers who are located, or plan to locate, or substantially expand operations in the County. The Fund is administered by the Department of Finance, and programs utilizing the Fund are administered by the respective departments as noted below.

BUDGET OVERVIEW

The total approved FY11 Operating Budget for the Economic Development Fund is \$852,440, which is the same as the total for the FY10 Approved Budget. Personnel Costs comprise 15 percent of the budget for one workyear for a position in the Department of Economic Development. Operating Expenses account for the remaining 85 percent of the FY11 budget.

LINKAGE TO COUNTY RESULT AREAS

Economic Development Grant and Loan Program

The Economic Development Grant and Loan Program was established in FY96 to provide assistance to private employers who will retain jobs already in the County or create jobs in the County through the expansion of current businesses or location of new businesses in the County. As part of its Marketing and Business Development Program, the Department of Economic Development (DED) identifies and develops prospects which meet the criteria for grants or loans from the Economic Development Fund. DED works to develop offers of assistance, frequently in close cooperation and coordination with the State of Maryland. By March 15, the County Executive submits an annual report on the status and use of the Fund, as required by Chapter 20-76 (b) of the Montgomery County Code. This program is administered by the Department of Economic Development.

Technology Growth Program

The Technology Growth Program was created in FY99 as a program within the Economic Development Fund to facilitate the growth of technology-based companies located or desiring to locate in the County. Financial assistance under the program is based on the evaluation of the technology and the innovation proposed, along with potential impact for the County. The program is aimed at leveraging private-sector financing and State Challenge and Equity Investment funds and is administered by the Department of Economic Development.

Small Business Revolving Loan Program

The Small Business Revolving Loan Program was established in FY00. The program augments a grant from the Maryland Economic Development Assistance Authority and Fund (MEDAAF) Act under Senate Bill 446 to finance economic development projects that do not receive priority consideration from traditional private and public sources because they are in non-priority industry sectors and/or non-priority transaction sites. The program offers secured loans typically in the range of \$25,000 to \$100,000 and is administered by the Department of Economic Development.
