DEPARTMENT PERFORMANCE MEASURES

Performance measures for this department are included below, with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. ACCOMPLISHMENTS AND INITIATIVES

- ❖ ***OCP embarked upon its new role as Patient Advocate regarding the Emergency Medical Services (EMS) Insurance Reimbursement program. OCP's critical role was to develop and implement a program of high level customer service to both County and non-County residents and to serve as liaison with Fire and Rescue Service's third party vendor to ensure that any billing issues are promptly resolved. OCP has made substantive recommendations regarding the implementation of this new program.***
- ❖ ***OCP is one of the only local government consumer protection offices to have a certified Master Automotive Technician on staff to handle complaints regarding auto repair. OCP's auto investigator served in the capacity of an independent expert regarding a multistate, hidden camera television report regarding transmission repair shops conducted by NBC affiliates. OCP's auto expert also collaborated with several County agencies that provide emergency funds to eligible residents who are in danger of losing their employment due to transportation problems because of emergency automotive repairs, and provided expertise, resources, and evaluation of proposed expenditures relating to automotive issues. This program was a FY13 NACo Award Winner.***
- ❖ ***OCP collaborated with the County Police, State's Attorney's Office, and the Motor Vehicle Administration to investigate and initiate criminal prosecution of illegal car sellers, commonly referred to as "curbstoners." OCP's investigators issued subpoenas to the major auto auction sellers in Maryland, engaged in extensive searches on internet sales sites, and conducted field investigations to document the illegal sale of used vehicles in the County. Local Television news covered this enforcement action to warn and educate consumers.***
- ❖ ***OCP's actions regarding trespass towing were referenced in a nationally televised program report on ABC's 20/20 show. In addition, OCP entered into a settlement agreement with a major property owner and obtained refunds for consumers who were improperly towed from a shopping center in Silver Spring.***

❖ **OCP hosted a National Consumer Protection Week Open House inviting consumers, merchants, and service providers to meet common ownership community, consumer and business licensing experts. OCP assisted consumers in obtaining and reviewing a copy of their free credit report. Assistance was available in English and Spanish. Home improvement, automotive repair, auto sales and leasing, towing, credit, common ownership community, and other experts answered questions throughout the event.**

❖ **Productivity Improvements**

- **OCP serves as staff to the Commission on Common Ownership Communities (CCOC). In an effort to help educate the residents and governing bodies of over 1,000 common ownership communities, OCP staff helped create a series of 15 educational videos. This video series provides information on various topics from how to hold an election to how to file a complaint. All of these individual videos have been posted to OCP’s webpage and YouTube. Approximately one third of Montgomery County residents live in these communities.**
- **CCOC released its “Guide to the Procedures and Decisions of the Commission on Common Ownership Communities” that provides valuable information to County residents on laws affecting homeowners, and condominium and cooperative living associations, helps residents navigate the texts of Commission decisions on common ownership disputes, and is available on the CCOC website.**
- **OCP expanded upon its online live chats as part of its Consumer Ed Café–Food for Thought consumer education campaign. These outreach communications provided detailed information regarding trespass towing, home improvement, and common ownership community issues.**
- **OCP has expanded its educational efforts by using Facebook and Twitter. Since launching in FY13, OCP has over 500 Twitter and Facebook followers enabling OCP to reach a wider audience with consumer news and alerts.**

PROGRAM DESCRIPTIONS

Consumer Protection

The OCP receives and investigates complaints and initiates its own investigations of deceptive or unfair trade practices against consumers. Staff resolves disputes between consumers and merchants, identifies violations of County, State, and Federal consumer protection laws, and makes referrals to other agencies when appropriate. Complaint categories include automotive sales/repairs, new home construction, home improvement repairs, predatory financial practices, credit and collection practices, telemarketing, and retail sales.

The OCP issues subpoenas to compel the production of documents or compel the attendance of witnesses. The office is authorized to hold hearings, administer oaths, and issue civil citations for violations of consumer protection laws. Special investigations are conducted and may result in Settlement Agreements or abatement orders, or in transmitting cases to the Office of the County Attorney for appropriate legal action. Investigators initiate charges for criminal prosecutions by the Office of the State’s Attorney, and investigators also testify in court as expert witnesses. In addition, the Office engages in consumer advocacy by testifying before County, State, and Federal legislative bodies and by drafting new legislation to protect consumers.

The OCP develops and conducts consumer education programs. The Office issues press releases through the Office of Public Information, holds press conferences, and publishes consumer brochures; staff responds to requests for information regarding consumer protection rights and remedies. Staff makes presentations at schools; community, business and civic group meetings; and frequently appear on television and radio news programs. The Office maintains a webpage containing consumer protection information, a record of the number of complaints received against merchants, and consumer alerts. Outreach efforts include initiatives to better address the needs of vulnerable consumers, underserved communities, and residents with limited English proficiency. The office also works with the Advisory Committee on Consumer Protection.

The OCP is responsible for licensing or registering automobile repair and towing businesses; new homebuilders; radio, television and electrical appliance repair shops; and secondhand personal property dealers.
