

Finance

Mission Statement

The mission of the Department of Finance is to prudently manage financial operations, recommend and implement sound fiscal policies, safeguard public assets, and encourage a safe environment on public property.

Budget Overview

The total approved FY17 Operating Budget for the Department of Finance is \$77,757,285, an increase of \$3,553,919 or 4.79 percent from the FY16 Approved Budget of \$74,203,366. Personnel Costs comprise 20.42 percent of the budget for 121 full-time position(s) and no part-time position(s), and a total of 121.77 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 79.58 percent of the FY17 budget.

The Finance Operating Budget is comprised of a General Fund component (the Director's Office and the Divisions of Fiscal Management, Treasury and Controller) and the Division of Risk Management, which is funded by the Liability and Property Coverage Self-Insurance Fund. The total approved FY17 Operating Budget for the General Fund component is \$14,065,819 an increase of \$352,877 or 2.57 percent over the FY16 approved budget of \$13,712,942. Personnel Costs comprise approximately 81.68 percent of the General Fund budget for 111 full-time positions. A total of 91.65 FTEs includes these positions as well as any seasonal, temporary, and positions charged to or from other departments or funds. Operating Expenses account for the remaining 18.32 percent of the budget.

The total approved FY17 Operating Budget for the Self-Insurance Fund component of Finance (Risk Management) is \$63,691,466, an increase of \$3,201,042 or 5.29 percent over the FY16 approved budget of \$60,490,424. Personnel Costs comprise approximately 6.89 percent of the Self-Insurance Fund budget for 10 full-time positions. A total of 30.12 FTEs includes these positions as well as any seasonal, temporary, and positions charged to or from other departments or funds. Operating Expenses account for the remaining 93.11 percent of the budget. Included in the total FTEs are 19.75 FTEs charged to the Self-Insurance Fund by the Office of the County Attorney and 0.37 FTE charged by the General Fund component of Finance (Controller Division) for services provided in support of Risk Management.

Linkage to County Result Areas

While this program area supports all eight of the County Result Areas, the following are emphasized:

- ◆ **A Responsive, Accountable County Government**
- ◆ **Strong and Vibrant Economy**

Department Performance Measures

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY16 estimates reflect funding based on the FY16 approved budget. The FY17 and FY18 figures are performance targets based on the FY17 approved budget and funding for comparable service levels in FY18.

Initiatives

- ★ Implement a Risk Management Information System (RMIS) to provide real time reports and analysis on claims, workplace injuries, out of work time, and other risk management data to support County staff to effectively manage their risk and safety programs.
- ★ Conduct an enterprise wide assessment to ensure adherence to Payment Card Industry and National Automated Clearing House Association guidelines to protect the integrity of County and resident financial data.

Accomplishments

-
- ✓ Successfully retained the County's AAA bond rating from the three major credit rating agencies in the fall of 2015.
 - ✓ In past two years have sold \$800 million in new money GO Bonds and \$387.6 million in Refunding Bonds resulting in over \$36 million in savings for the General Fund, Bethesda Parking District and the West Germantown and Kingsview Development Districts.
 - ✓ Expanded the Small Business Plus Program to \$50 million with local community banks which leveraged \$100 million in loans to local businesses creating hundreds of new jobs in the County.
 - ✓ Received the GFOA Certificate of Achievement for Excellence in Financial Reporting for the FY14 Comprehensive Annual Financial Report (CAFR), the 45th year for this achievement.
 - ✓ Expanded the County's Clean Energy Financing programs to include Commercial Property Assessed Clean Energy (PACE) program to provide financing for commercial property clean energy improvements; and use of Qualified Energy Conservation Bonds for County facilities as well as support the implementation of the Green Bank to support public and private energy and environmental efficiency programs.
 - ✓ Conducted a claims management audit that returned an overall rating of 95% - the highest rating the program has achieved since the 1978 inception of the Self Insurance Program.
 - ✓ Supported County safety and risk management programs by developing and deploying six new enterprise-wide Information Technology (IT) applications to conduct safety reviews and receive training on various safety topics.

Productivity Improvements

- ✦ Implemented the Electronic Cigarette Excise Tax web application to expedite collection of this tax revenue from wholesalers.
- ✦ Enhanced the Bag Tax Web Application to include data validation when entering data.
- ✦ Issued Conduit Debt on behalf of several private schools as part of the Economic Development Revenue Bond program creating significant savings from the refundings. The standard Conduit Debt fees that are paid by eligible third-party entities was increased to the maximum allowable under the Resolution adopted by Council, which now more appropriately compensates the County for the services provided, and enhanced the revenue stream.
- ✦ Coordinated the on-line credit card payment system for the Division of Animal Services for pet licensing; for the Office of Emergency Management and Homeland Security for hazard material certifications; and for Health and Human Services for private donations for certain safety net programs.
- ✦ Partnered with all departments and offices to conduct Accounts Payable audit of invoices under \$10,000. Met with each department to present audit findings and work through any issues to prevent errors in the future.

Program Descriptions

Fiscal Management

This program provides effective management of County capital and operating funds and the fiscal analysis and issue management associated with master plan development, economic development, and legislative issues. It is also responsible for accurate revenue and economic forecasting and publishing reports on economic and revenue analysis on a monthly and quarterly basis for dissemination to the County Council and public. The program's primary goal is to maintain the County's AAA General Obligation Bond debt rating and to actively invest the County's working capital to minimize risk while generating maximum investment income. Program objectives related to debt and cash management include managing the timely and economic issuance of short- and long-term financial obligations; developing and maintaining strong rating agency and investor relations; preparing accurate and timely financing documents, including the County's Annual Information Statement; ensuring strict compliance with disclosure requirements; coordinating bond counsel review; providing high-quality consulting

services for County agencies, managers, staff, elected officials, and residents on issues related to debt and cash management; and managing the County's relationship with the banking and investment community. Program objectives related to policy and fiscal projects include the proactive development of intergovernmental policy alternatives and recommendations, including necessary local and state legislation and regulations; fiscal and economic impact analysis for local and state legislation; fiscal impact analysis and effective management associated with the financing and implementation aspects of Master and Sector Plans; and high quality financial consulting services for County agencies, managers, staff, elected officials, and residents.

Tax Operations

This program is responsible for the timely and accurate collection and processing of all County administered taxes, including property taxes (which are the County's largest revenue source), transfer and recordation taxes (relating to real property transfers and recordation of instruments of writing), and several excise taxes (fuel/energy, telephone, hotel/motel, carryout bags, electronic cigarettes). The program is also responsible for the administration of the County's Working Families Income Supplement program, the Public Advocate for Assessments and Taxation (Public Advocate) program, and numerous tax credit, deferral, and assistance programs. The property tax portion of this program provides the calculation and distribution of tax bills; accounting and distribution of tax collections to the State of Maryland, municipalities, and other entities; collection of delinquent accounts through the tax lien sale process; and communication of and access to tax and account information by attorneys and title companies for preparation of property settlements; and customer service assistance to the public for complex tax-related matters and issues. The transfer and recordation tax portion of this program ensures that all other taxes, fees, and charges associated with the property tax account are paid in full prior to recording of the deed for that property by the State of Maryland. The Public Advocate program provides an independent review of State-determined property assessment valuations for fairness and accuracy and, therefore, protects the public interest by acting on behalf of the taxpayers and the County.

Insurance

The Montgomery County Self-Insurance Program, established under County Code 20-37, provides comprehensive property and casualty insurance for the County and participating agencies. The program is funded through contributions from the agencies, which are based upon an annual actuarial analysis of their exposures and their outstanding and projected future claims filed against the participants. The program provides accurate and timely insurance and risk management advice to participating agencies and reduces County and participating agency exposure to risk by: comparing the cost of commercially available coverage to evaluate the best method of funding exposure to loss; transferring contractual risk under indemnification/hold harmless agreements; avoiding risk; operating proactive safety programs; and purchasing commercial insurance policies.

Occupational Safety and Health

This program coordinates reporting to Federal and State regulatory agencies on health and safety issues. The State-required injury reports and the mandated safety training and record keeping are completed on schedule. The program responds promptly to inspections and queries from the Maryland Occupational Safety and Health Administration. Accident prevention programs are conducted, and training is provided continuously in loss prevention and loss control to promote a safe and healthy work environment for County employees.
