ROBERT A. GREENBERG, ADMINISTRATIVE JUDGE

MISSION STATEMENT

The mission of the Circuit Court is to serve Sixth Judicial Circuit residents in the determination of litigation in serious criminal matters, substantive civil cases, domestic cases, and child support cases in accordance with the United States and Maryland Constitutions while administering justice in an honest, fair, and efficient manner.

BUDGET OVERVIEW

The total recommended FY21 Operating Budget for the Circuit Court is \$15,546,668, an increase of \$286,255 or 1.88 percent from the FY20 Approved Budget of \$15,260,413. Personnel Costs comprise 83.05 percent of the budget for 119 full-time position(s) and five part-time position(s), and a total of 121.50 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 16.95 percent of the FY21 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- Thriving Youth and Families
- Effective, Sustainable Government
- Safe Neighborhoods

INITIATIVES

- Improve housing options for Mental Health Court participants as well as increase the number of life skills classes offered to Drug Court participants.
- Establish a clear and easy-to-use process for disabled persons to request appointment of an attorney to obtain representation when pursuing termination of guardianship or removal of guardians.
- Monitor case processing performance for family, civil, criminal, and juvenile cases as well as specialty cases such as Business and Technology, ASTAR, One Family One Judge, and Special Immigrant Juvenile Status to ensure fair and timely resolution of cases.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ** Family Division Services provided 519 cases with facilitation, set 244 cases for custody/access mediation, processed 340 orders for custody/visitation evaluations, processed 106 cases for adoption investigation and/or reviews, and provided co-parenting classes for 1,571 persons ordered to attend.
- ** Problem Solving Court implemented a Drug Court Intervention Track for lower level offenders diagnosed with a substance use disorder who would not normally qualify for Drug Court due to minimal backup time. Members of the Intervention Track fully participate in the Drug Court program and services with the goal of program graduation.
- ** Technical Services improved the functionality of case management databases for the Maryland Automated Guidelines System (MAGS), Special Immigrant Juvenile Status cases, and One Family One Judge cases to assist the court's specialized management of these cases.

PROGRAM CONTACTS

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY20 estimates reflect funding based on the FY20 Approved Budget. The FY21 and FY22 figures are performance targets based on the FY21 Recommended Budget and funding for comparable service levels in FY22.

PROGRAM DESCRIPTIONS

***** Adjudication

Adjudication encompasses support staff for the Judiciary, Differentiated Case Management (DCM), and Quality Control. Conceptually, this division monitors case assignments (criminal, civil, and family cases), provides expedited case disposition for incarcerated offenders, and provides supervision consistent with the complexity of each case filed. Adjudication and DCM improves the efficiency of case processing and reduces the demand for judicial intervention at various stages of litigation. To minimize case delay, each case is assigned to an appropriate track that allows for the performance of pre-trial tasks and allocates the appropriate level of judicial intervention. Tracks are monitored for performance and are evaluated based on established performance measures. Quality Control maintains the integrity of the information the Court generates and improves the quality of the data the Court collects.

Basic functions performed by the Court Administrator and staff include the following: fiscal administration of the budget, human resources, case flow management and statistics, technology management, information management, jury management, space management, intergovernmental liaison, and public information.

The Trial Court Researchers, funded in part by the Trial Court Research Partnership Grant, provide research and statistical support for judiciary-wide research projects; prepare reports based on statistics and other data collected from the Montgomery County Circuit Court; establish links to national research/statistical sources relative to courts; and analyze court-wide programs, functions, and organizations to determine whether current management systems accomplish objectives efficiently.

Family Division Services

This program provides a variety of services for children and families, most of them funded by the Family Law Grant. Services include case managers that provide day-to-day management of cases between Family Magistrates, Judges, counsel, and litigants; custody mediation involving litigants in an effort to obtain a settlement of custody issues prior to litigation; the Family Law Self Help Center staffed by attorneys to help individuals representing themselves in uncomplicated family law cases involving divorce, custody and child support; psychological evaluations when psychological testing is necessary as an adjunct to arriving at a decision in the best interest of the children; best interest attorney appointments to specifically represent the interests of children; and operating expenses associated with managing the division.

Family Division Services also handles adoption investigations, as well as child custody and visitation evaluations. After the establishment of a Court Order, independent evaluations for child custody and visitation and adoption investigations are conducted by Court staff possessing substantial experience in social science or suitable credentials in the field of social work. The evaluator meets with the litigants and children and interviews professionals and collateral references to ascertain the appropriate custodial situation for the children.

The Juvenile Division is also a part of Family Division Services and is responsible for oversight of delinquency petitions, Child in Need of Assistance (CINA) petitions, Termination of Parental Rights (TPR) petitions, Voluntary Placement petitions, and Petitions for Peace Orders. These matters, which are governed by strict statutory timeframes, require a high degree of judicial oversight by the Court on a long term basis.
