MISSION STATEMENT

The mission of the Office of Community Use of Public Facilities (CUPF) is to maximize the community's use of schools and other public facilities and to identify and facilitate activities and programs that respond to the community's needs without disrupting the instructional program of the Montgomery County Public Schools or County operations.

BUDGET OVERVIEW

The total FY21 Recommended Operating Budget for the Office of Community Use of Public Facilities is \$11,933,974, a decrease of \$8,549 or 0.07 percent from the FY20 Approved Budget of \$11,942,523. Personnel Costs comprise 30.01 percent of the budget for 30 full-time position(s) and one part-time position(s), and a total of 31.27 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 69.99 percent of the FY21 budget.

In addition, a portion of prior year Community Use of Public Facilities fund balance has been allocated to the Maryland-National Capital Park and Planning Commission's (M-NCPPC) FY21 and FY22 Capital Improvements Program (CIP) Ballfields Initiative.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- Thriving Youth and Families
- A Greener County
- Effective, Sustainable Government

INITIATIVES

Relocate Community Use of Public Facilities offices to Wheaton as part of a Countywide initiative to centralize government services to support business growth and development. This move was planned as part of the Wheaton Redevelopment Program, which will encourage private reinvestment in Wheaton through targeted, complementary public investment.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- * CUPF provides two subsidy programs to users the Facility Fee Assistance Program (FFAP) and the Community Access Program (CAP). These programs continue to assist an increasing number of nonprofit groups serving at-risk, low-income persons, and community groups in general by making use of public space more affordable. For the first time since the subsidies were created, the entire FFAP fund of \$75,000 was expended, as was the entire CAP fund of \$150,000.
- CUPF is working in partnership with Montgomery County Public Schools (MCPS), the Parks Department, and the Department of Recreation on a Ballfield Initiative to renovate playing fields. CUPF issues permits for 212 MCPS ballfields at elementary, middle, and high schools while the Parks Department maintains 201 athletic fields on 120 MCPS sites. The FY21 Recommended Budget includes a \$600,000 transfer from CUPF to the Parks Department for ballfield maintenance.
- Enhanced audio-visual capability at the Silver Spring Civic Building with a \$130,000 expenditure on new technology.
- Assisted a total of 86 groups including community groups and non-profits in FY19 with an award through the Community Access Program (CAP) for use of the Silver Spring Civic Building and Veterans Plaza, an increase of over 10% from FY18.

training; centralized scheduling of schools, M-NCPPC fields, libraries, regional service centers, County government meeting rooms, and the Silver Spring Civic Building; managing on-line customer facility requests; administering connectivity to the facility database for school and County staff; providing information and referrals; and problem and conflict resolution. Working with MCPS staff, PTAs, and community-based committees in the implementation and review of facility use policies and procedures is an integral component of this program. This program also provides: general management and staff support to the Interagency Coordinating Board (ICB), which is CUPF's policy-making authority, and its Citizens' Advisory Committee; and administration for community use operations, including financial processes and budgeting for the Community Use Enterprise Fund. The County's General Fund supports limited free use of facilities to qualifying organizations in accordance with ICB policy.

- 1. Changes in interfund transfers reflect the election cycle, receipts from the General Fund to offset the cost of free use and unpermitted field use, and technology modernization costs.
- 2. The Interagency Coordinating Board must review and approve any changes in fees. A 2.5% increase is assumed in FY25 and another 2.5% increase is assumed in FY26.
- 3. The fiscal plan assumes a one-time use of surplus funds to replace the online booking system shared by CUPF, the Recreation Department, and the Maryland-National Capital Park and Planning Commission. This use is shown as a current revenue transfer in FY20
- 4. The fiscal plan assumes the use of surplus funds for ballfield maintenance. This use is shown as a current revenue transfer in FY21 and FY22 CIP project, Ballfield Initiatives (P008720).

- 1. The fund balance is calculated on a net assets basis.
- 2. These projections are based on the Executive's Recommended budget and include the revenue and resource assumptions of that budget. The projected future expenditures, revenues, and fund balances may vary based on changes not assumed here to fee or tax rates, usage, inflation, future labor agreements, and other factors not assumed here.
- Community Use of Public Facilities has a fund balance policy target of 10% of resources.
