4. The Council reappropriates or appropriates revenue received from non-County sources for any program funded in whole or in part from those non-County funds:
 - a) together with matching County funds, if any; and
 - b) to the extent that the program period approved by the non-County source encompasses more than one fiscal year in order to complete the grant program, under the terms of receipt of the non-County revenues.

5. The Council continues the procedure for transfers adopted in Resolution 12-890. This procedure applies only to the non-County portion of grant programs, and it applies only to those grant programs for which the College keeps separate accounts for the County and the non-County funds.
 - a) The Council will not take action on these transfers, so the transfers will be automatically approved after 30 days, as provided by State law.
 - b) College staff must report each transfer to the Executive and the Council within 30 days.

6. This resolution appropriates \$1,000,000 for the account titled "Various State, Federal, & Private Grants & Contracts", which provides funds for specific programs designated in a grant, contribution, reimbursement, or other non-county funding source received in FY 2009. When the College receives funds for a program from one of these sources, the College may transfer funds from this appropriation to the program. The following conditions are established on the use of this transfer authority:
 - a) The program must not require any present or future County funds.
 - b) Subject to the balance in the account, any amount can be transferred in FY 2009 for any program which meets at least one of the following four conditions: (1) the amount is \$200,000 or less; (2) the program was funded in FY 2008; (3) the program was included in the FY 2009 budget; (4) the program was funded by the Council in a supplemental or special appropriation in FY 2009. Any program that does not meet one of these four conditions must be funded by a supplemental or special appropriation.
 - c) The College must notify the Executive and the Council within 30 days after each transfer.

7. This resolution appropriates \$700,000 for pre-funding retiree health insurance consistent with Resolution No. 16-555, which the Council approved on May 14, 2008.
