
Revenue Schedules

The revenue schedules include data for the following County agencies: MCG, Debt Service, MCPS, Montgomery College, and M-NCPPC. Not included are: WSSC, HOC, and the Montgomery County Revenue Authority. Note that the General Fund revenues contributed to capital projects (PAYGO) for several agencies are not reported on these schedules. State or Federal aid for capital projects is shown only in the CIP.

Schedule C-a, Revenue Summary

Projections for tax-supported revenues are included in this chart for both the past fiscal year and the current six-year Public Services program. This summary is supported by the various revenue schedules for County Government Special Funds and for Montgomery College and M-NCPPC, as tax supported agencies, in the relevant sections of this document. These projects are based on estimates of County income from its own sources such as taxes, user fees, charges, and fines, as well as expectations of other assistance from the State and Federal governments. The most likely economic, demographic, and governmental policy assumptions that will cause a change in revenue projections are used for these estimates.

Schedule C-b, Projected Uses of Resources

This chart displays total resources available (revenues, net transfers, and fund balance); subtracts non-agency uses of resources such as current revenue funding of the Capital Budget, Debt Service, and Fund Balance (operating margin); and finally, displays the remaining amount available to fund agency budgets (appropriations to the Operating Funds of the various agencies of the County). The other uses commonly called "Non-Agency Uses of Resources" affect the total level of resources available for allocation to agency programs. Some of these factors are determined by County policy; others depend, in part, on actual revenue receipts and expenditure patterns. The projections included in the chart include projected uses of current revenues for both bond eligible and non-bond eligible capital investments.

Schedule C-1, Revenues Detailed by Fund

This schedule reports by tax supported and non-tax supported fund type, for all agencies, all revenues received and used to fund the operating budgets of MCG, Debt Service on County bonds issued for capital projects, MCPS, Montgomery College, and M-NCPPC.

Schedule C-2, Revenues Detailed by Agency

This schedule reports revenue by agency, including debt service on County bonds, and separates revenues by General Fund, special tax supported funds, special non-tax supported funds, and enterprise funds.

Schedule C-3, Revenues Detailed by Agency and Type

This schedule details all revenue by agency, fund type, and fund.
