DESCRIPTION

This project identifies capital expenditures and appropriations for local parkland acquisitions, including related costs for surveys and appraisals. Local parks include urban, neighborhood, and neighborhood conservation area parks. Acquisitions can include new parkland or additions to existing parks, and are pursued when they become available if sufficient funds exist. To the extent possible, the Commission acquires parkland through dedication at the time of subdivision; however, to meet all parkland needs, this method must be supplemented by a direct land purchase program.

During FY09-14, the following acquisitions may be pursued: Hillmead Local Park, Fenton Street Urban Park, Willow Ridge Local Park, Piedmont Crossing Local Park, Piney Branch Urban Park.

COST CHANGE

Expenditure increase due to estimated annual allocation for Program Open Space.

JUSTIFICATION

2005 Local Land Preservation, Parks and Recreation Plan, approved by the Montgomery County Planning Board, and other adopted area master plans guide the local parkland acquisition program. This PDF provides latitude to acquire properties consistent with master plans and Commission policies.

FISCAL NOTE

\$25,000 is budgeted annually to covers one-time costs to secure properties, e.g. removing attractive nuisances, posting properties, cleaning up sites, etc.
