

# Recreation

## MISSION STATEMENT

The mission of the Department of Recreation is to provide high quality, diverse, and accessible programs, services, and facilities that enhance the quality of life for all ages, cultures, and abilities.

## BUDGET OVERVIEW

The total recommended FY11 Operating Budget for the Department of Recreation is \$25,962,640, a decrease of \$4,565,880 or 15.0 percent from the FY10 Approved Budget of \$30,528,520. Personnel Costs comprise 61.8 percent of the budget for 99 full-time positions and two part-time positions for 364.9 workyears. Operating Expenses account for the remaining 38.2 percent of the FY11 budget.

The Debt Service for the Recreation Fund is appropriated in the Debt Service Fund and is, therefore, not displayed in this section. To pay for the Debt Service, a transfer of funds from the Recreation Fund to the Debt Service Fund of \$10,172,410 is required to cover general obligation bond and long-term lease costs.

Additionally, it should be noted that the Department manages an estimated \$8,650,000 Agency Fund. This Fund is designated for handling contracted programs and services and is entirely revenue supported. The net proceeds of these activities are accounted for in the Recreation Fund.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

## LINKAGE TO COUNTY RESULT AREAS

While this program area supports all eight of the County Result Areas, the following are emphasized:

- ❖ *Children Prepared to Live and Learn*
- ❖ *Vital Living for All of Our Residents*

Little People Centers offer an exciting first taste of summer camps; art camps provide opportunities to develop children's creativity; sports camps energize children with sports and sports skills activities; Camp Imagination and Summer Ventures provide a mix of activities that include crafts, games, sports, and special events; and outdoor/nature camps combine nature with a variety of outdoor games and activities, including canoeing. There are also a number of one-of-a-kind camps, including Explorations in Science and On-the-Go and Creative Theatre gives campers a taste of producing a real musical. Extended hours provide parents with opportunities to have children cared for both before and after camp. Holiday camps are offered during the winter and spring school breaks.

The Classes program offers recreational and skill development classes to young people and adults. Leisure classes are scheduled and advertised four times each year in arts, crafts, exercise, music, performing and social dance, and special interest areas. Sports instruction is offered in fencing, golf, tennis, skateboarding, and martial arts. Special intensive schools and clinics are also offered during school vacation times. The Classes program also provides recreational, social, and early childhood development activities for children ages one to five years, incorporating child-parent interaction, creativity, independence, fitness, and wholesome fun. The preschool activities consist of Tiny Tot classes that are established by age groups and subject matter.

## Recreation Regions and Community Centers

The Department's 20 community recreation centers, located throughout the County, host programs for the Department, other agencies, and community organizations. Community recreation centers provide leisure activities, social interaction, family participation, and neighborhood civic involvement, and promote community cohesion and identity.

Programs for all ages are available in community recreation centers. These facilities are designed to support sports, fitness, dance, social activities, and arts programs. Activities include instructional programs, organized competitions, performances and exhibitions, recreational clubs and hobby groups, and accessibility initiatives for special populations. In addition, community recreation centers offer important community meeting space. Center spaces are available for party rentals, receptions, and civic group meetings. User fees are charged for room rentals, special programs, and services offered at each facility.

The Recreation Regions program provides community liaison, volunteer services support, and customer needs assessments in the four community recreation service regions of the County. Regional staff advocate for and coordinate all recreation services and coordinate long-range facility planning in their region, assist with the delivery of services, perform customer assessments of programs, provide staff support to Regional Advisory Boards, and serve as liaisons with schools and community groups in the region. Program staff also manage local community-based activities, such as community days, festivals, and other special events.

Certain types of programs are managed regionally to best serve the unique needs in their community including Youth Sports, Teen Programming, and Summer Fun Centers. Youth Sports programs include instructional sports for K-2nd grade in youth soccer, basketball, and T-ball; competitive leagues for grades 3-12 in field hockey, basketball, baseball, softball, and flag football. Teen Programs include a variety of positive social, educational, and skill based alternatives to at risk behaviors. In addition to facility based activities, there are two programs offered after school on school grounds: RecExtra offered in most County middle schools and Sports Academies offered in several high schools within three target areas of the County. Regions also offer a six-week program in the summer for youth ages 5 to 12 years called Summer Fun Centers. This program serves as a neighborhood drop-in program where children may come for the entire six-weeks or they may choose the days they would like to participate in activities like arts and crafts, sports, nature activities, and games.

These centers are focal points for the delivery of recreation, community, and health-related services to senior adults.

## Recreation Outreach Services

The Recreation Outreach Services Team is responsible for coordinating special events and other activities which offer a variety of benefits including enhancing a sense of community, encouraging family participation, and providing a positive image for the County. These special events offer opportunities for interaction among the various segments of our multi-cultural community and provide a chance to celebrate our rich cultural diversity. Furthermore, this team partners with many County and outside agencies and organizations to provide various leisure opportunities for the residents of the County. More formal partnerships include the Friends of Recreation, Arts and Humanities Council, Public Arts Trust, and BlackRock Center for the Arts.

The Charles W. Gilchrist Center for Cultural Diversity is a cultural and community focal point. The Center strengthens community viability by promoting an environment in which differences are celebrated and viewed as an asset. The Center includes an Educational and Technology Lab and involves the collaboration of the Department of Recreation, Community Use of Public Facilities, the Department of Health and Human Services, the Department of Housing and Community Affairs, and other departments. In addition, the Center is a "one stop shop" for services, community contacts, cultural events, small business opportunities, and meeting and working space for established ethnic, nonprofit organizations. This center also includes information and referral services to Montgomery County newcomers. A "satellite" Diversity Center serves the Upcounty area in the Upcounty Regional Services Center.
