DESCRIPTION

Due to projected enrollment growth, this project, initiated by the County Council, includes funds to design and construct four permanent middle school classrooms in the Bethesda-Chevy Chase cluster. These additional classrooms would meet capacity requirements under the Subdivision Staging Policy, avoiding a residential moratorium in the Bethesda-Chevy Chase cluster. The County Council anticipates that the Board of Education will request a specific project that will add at least this number of classrooms by the start of the 2016-2017 school year and these funds would be used for that purpose.
