DESCRIPTION

This project provides for improvements at Falls Road Golf Course located at 10800 Falls Road in Potomac. The course was completely renovated in FY03. The practice range lighting project was completed in FY11. Partial covering and heating of the range will be completed in FY12. Modifications to the existing clubhouse food service area will be completed in FY13, and the stream connection project will be completed in FY16 to address erosion and drainage issues. These projects were approved in the prior CIP but delayed.

JUSTIFICATION

The project proposes practice facility improvements, which serve to enhance current golfers' experiences, while increasing availability to non-golfers to learn the game. The planned modifications to the food services facility will provide patrons a broader selection of food options with quick efficient service.
