DESCRIPTION

This project, located at 1451 Seven Locks Road, Rockville, provides for the design of an approximately 103,000 gross square foot (GSF) Criminal Justice Complex (CJC) with underground structured parking. The CJC will be constructed on the site of the existing District One Police Station located at the north end of Seven Locks Road. Demolition of the District One Police Station and construction of the CJC is dependent on the move of the police station functions to the new Public Safety Headquarters (CIP ID No. 470906), a component of the Smart Growth Initiative.

The primary function at CJC will be to operate as the Intake Unit, providing initial care, custody, and security of inmates for up to 72 hours prior to transfer to the Montgomery County Correctional Facility (MCCF) in Clarksburg. The maximum number of beds at the CJC will be approximately 200. The Unit also provides psychological and medical screening, and risk assessment to determine the appropriate classification level of inmates for security assessment. In addition, the Central Processing Unit (CPU) will provide processing of arrested offenders by law enforcement. Other uses include: District Court Commissioners' area; Department of Health and Human Services Mental Health Assessment and Placement Unit; Pre-Trial Services Assessment Unit; Public Defenders Unit; and the Police Warrants and Fugitive Unit.

The project incorporates technical requirements from the Detention Center Reuse project in addition to updated space requirements developed by an interagency working group. The CJC does not include storage anticipated to be provided by the housing tower building at MCDC. Design and construction of a new Department of Correction and Rehabilitation (DOCR) Staff Training Center, which was a component of the Detention Center Reuse project, will eventually proceed as a separate project at the Correctional Facility.

ESTIMATED SCHEDULE

The state requires a Master Confinement Study and a Program of Requirements to receive State Aid. This work began in Fall of 2011 and will be completed by the Winter of 2013.

JUSTIFICATION

This project is consistent with Council Resolution 13-356 passed by the County Council on December 5, 1995 which approved two jail facilities at two locations - Rockville and Clarksburg - as priority public safety uses.

The renovation of the existing Montgomery County Detention Center (MCDC) facility (Detention Center Reuse PDF#429755) was determined not to be cost effective due to the need for significant capital expenditures, life cycle costs, and continued maintenance as a result of aging systems. It was determined to be cost effective to replace MCDC with a new "Criminal Justice Complex" facility.

OTHER

Lease arrangements with the State regarding the District Court Commissioners' space will be developed prior to the completion of the construction of the Central Processing Unit (CPU) portion of this project.

FISCAL NOTE

The total project cost is anticipated to approximate \$64.5 million. Final construction costs will be determined during the design development phase.

OTHER DISCLOSURES

- A pedestrian impact analysis has been completed for this project.
- The Executive asserts that this project conforms to the requirements of relevant local plans, as required by the Maryland Economic Growth, Resource Protection and Planning Act.
