ACCOMPLISHMENTS AND INITIATIVES

❖ **FY14 County Executive Recommended Initiatives**

- Re-open the Olney branch after renovation in the Fall of 2013, with increased service hours (69 hours per week: Monday - Thursday 9 a.m. to 9 p.m., Friday - Saturday 10 a.m. to 6 p.m., and Sundays 12 p.m. to 5 p.m.).
- Re-open the Gaithersburg branch after renovation in the Fall of 2013, with a Gilcrest Center and a large public meeting room (same service hours as Olney).
- Establish a Digital Media Lab at Long Branch library, supporting the work of students, job-seekers, small businesses, teens, seniors, and others who need access to modern software tools for business and for creating content. This will improve the branch's capability as a center of lifelong learning and collaborative content creation.
- Increase library service hours at Long Branch library (adding service on Sundays from 12 p.m. to 5 p.m.).
- Increase library service hours at Poolesville library (restoring FY10 service hours: Monday - Wednesday 2 p.m. to 9 p.m., Thursday 10 a.m. to 9 p.m., and Friday-Saturday 10 a.m. to 5 p.m.).
- Library Public Service Hours (PSH) will increase overall by 98 PSH per week to a total of 1,127, a 9.5% increase.
- Substantially increase the County's investment in e-books to meet greatly increased customer demand, while continuing to meet the diverse needs and high demand for print and media library materials. Expand the breadth of the e-books collection to include more items in more topic areas.

❖ **MCPL Strategic Plan Goal Accomplishments: Readiness for the Future**

- Completed a new MCPL Strategic Plan for FY13 to FY16, presented to elected officials. It was completed in tandem with detailed strategic plans for Technology, Facilities, Marketing, and Collection Development units.
- E-book circulation increased from 99,000 in FY11 to 188,000 in FY12.
- Staff trained in "Science, Technology, Engineering, and Math" are applying their new skills to MCPL programming and materials selection decisions.

❖ **Enhanced Technology and Innovation Strategic Plan Goals**

- Constructed MCPLExpress@Olney that includes book and DVD vending machines, a book return, and hold lockers.
- Improved how customers can search for and discover library materials via MCPL's on-line library catalog, including the ability to search for library materials from Facebook.
- Further upgraded and improved Wi-Fi infrastructure in branches, particularly where customer usage of Wi-Fi is very high, to continue to address growing customer demand for this service.

❖ **Marketing, Outreach, and Community Awareness Strategic Plan Goals**

- Created a new Outreach team composed of library branch staff to re-institute MCPL visits to schools, community groups, and others, to market library services, and serve the community beyond our walls.
- Continuing MCPL's role as an early leader in the use of social media tools such as Facebook and Twitter to market library events and materials, and provide public service. Increasing the number of Facebook Fans and Twitter Followers.
- Replaced our paper programming booklet with an electronic newsletter to reach out to more customers directly.

❖ **Continuous Organizational Development Strategic Plan Goals**

- MCPL senior and branch managers are utilizing a formal Census analysis of County demographics to reshape and redesign MCPL programming, materials, outreach, and other services to keep up with the changing needs of the County's very diverse and dynamic population (Partnership with the United States Census Bureau).
- Partnered with the Department of Correction and Rehabilitation to implement a Book Repair Project that gives new life to well-worn MCPL books at no cost to the department.
- Dedicated Staff Development Day 2012 to the theme of civility, how to safely manage disruptive behavior, and how to best utilize County resources to respond to common occurrences of this behavior in the library system.

❖ **Productivity Improvements**

- Successfully hired over 60 new employees to fill new and vacant positions, creating a new centralized training model to efficiently train them, ensuring they are ready to provide high-level customer service sooner, and minimize disruptions to customer-service operations.
- Implemented an online account renewal system (reducing paper and processing time).
- Implementing new service models at library branches that improve customer service, speed of transactions, and accuracy. Examples include moving the location of book returns, consolidating service desks into one location, and having librarians walk throughout the library branch to help customers (similar to the way service is provided in retail stores).

Managers and staff in this program support system partnerships, outreach, and programming, and perform some of these activities within their specific communities.
