## PROJECT DESCRIPTION

Battery Lane Urban Park is a 1.9-acre existing park located at the edge of the Bethesda Central Business District. The approved facility plan includes the renovation of the following amenities in the park: tennis court, enlarged playground, walking path, basketball court, improved entryway, lighting, seating, drinking fountain, landscaping, and bike racks. The plan provides for better maintenance access. Due to fiscal constraints and changes in recommendations for this park from the staff draft of the Bethesda Downtown Plan, the funding for the project has been reduced to only renovate the playground, which is well beyond its lifecycle for replacement. Redevelopment of the entire park is on hold.
