PROJECT DESCRIPTION

This project provides for the purchase of Self-Contained Breathing Apparatus (SCBA) . The SCBA provides breathable air to firefighters in dangerous environments. All current SCBA will be replaced.

LOCATION

Countywide.

ESTIMATED SCHEDULE

Equipment will be purchased in FY17.

PROJECT JUSTIFICATION

The current inventory of SCBA will be replaced. They are past their useful life and no longer meet current National Fire Protection Association standards. The warranties have expired, resulting in higher maintenance costs and difficulty finding replacement parts.

FISCAL NOTE

The project provides appropriation authority for a purchase funded through the Master Lease program. Master Lease payments were approved in the FY17 budget.

COORDINATION
