PROJECT DESCRIPTION

This project provides funding to the City of Rockville to complete the following capital projects identified in a Memorandum of Understanding (MOU) between the County and Rockville: 1. Avery Road (Rockville Sidewalks CIP 420-850-6B21): Located along the east side of Avery Road, between the Montgomery County Public Schools (MCPS) Blair G. Ewing Center and the Montgomery County Department of Health and Human Services Avery House facility, this 6-foot wide asphalt path (with a length of 680 linear feet) will extend an existing asphalt bike path from the MCPS facility to the Avery House facility. 2. Wootton Parkway (Rockville Sidewalks CIP 420-850-6B21): Located along the west side of Wootton Parkway, between Fairwood Court and Hurley Avenue, this 5-foot wide sidewalk (with a length of 2,000 linear feet) will extend an existing sidewalk network along Wootton Parkway to connect a neighborhood that is currently inaccessible by pedestrians. 3. Falls Road (MD 189) West Side (Rockville Pedestrian Safety CIP 420-850-4B71): Located along the west side of Falls Road, between Wootton Parkway and Kersey Lane, this 5-foot wide sidewalk (with a length of 1,500 linear feet) will extend an existing sidewalk network along Falls Road.

PROJECT JUSTIFICATION

Avery Road is used extensively by pedestrians travelling between the bus stop on MD 28 and the Avery House. Completion of the

project will directly improve pedestrian safety along Avery Road. Completion of Wootton Parkway represents one of the highest-ranked missing sidewalk links as identified through the City's Sidewalk Prioritization Program. The Falls Road West Side project will connect a neighborhood that is currently inaccessible to pedestrians.

OTHER

The City of Rockville and the County Department of General Services will coordinate to address any potential impact to the County's Avery House facility. This project also supports the County Executive's Vision Zero initiative which aims to reduce injuries and fatalities on all roads.

FISCAL NOTE

Under County Code sections 52-49 and 52-53, the County is required to deposit transportation impact taxes collected from developments within the city limits into a designated account. Funds from this account may only be used for projects identified in the MOU or in other agreements between the County and Rockville. An FY17 supplemental appropriation request for \$215,000 in Impact Taxes was approved for this project.

COORDINATION

Department of Transportation, Department of Permitting Services, Department of General Services, Department of Finance, Office of Management and Budget, City of Rockville, Maryland State Highway Administration
