Cumulative Appropriation	398	Last FY's Cost Estimate	12,511
Expenditure / Encumbrances	-		
Unencumbered Balance	398		

PROJECT DESCRIPTION

The total project is comprised of 3 phases. However, only Phase I is recommended for funding at this time. Phase I includes a 4200 foot segment of Oak Drive and a 350 foot segment of Kingstead road. This phase provides a 5' concrete sidewalk with green buffer along the west side of Oak Drive from its southern intersection with MD 27 to the John T. Baker Middle School. A 5' sidewalk is also provided along the south side of Kingstead Road from Oak Drive to the John Haines park. Phase II will include a 2,300 foot segment of MD 27 (Ridge Road) starting at the northern intersection with Oak Drive and ending at the existing sidewalk at Damascus High School.

Phase III will include a 2,500 foot segment of MD 27 (Ridge Road) starting at the southern intersection with Oak Drive and ending at the existing sidewalk at Ridge Landing Place.

ESTIMATED SCHEDULE

Phase I to begin in FY19 and be complete in FY21. Phases II and III are scheduled beyond the six years.

COST CHANGE

Reflects Phases II and III costs in beyond six years.

PROJECT JUSTIFICATION

The project is needed to address the lack of continuous and safe pedestrian access to existing sidewalks and bikeways, transit stops, commercial areas, and community and public facilities in the Damascus area. The 2006 Damascus master plan and 2005 Countywide Bikeways Functional Master Plan recommends sidewalk in the project area.

OTHER

This project also supports the County Executive's Vision Zero initiative which aims to reduce injuries and fatalities on all roads.

FISCAL NOTE

This project currently provides funding for design, land acquisition, site improvements, utility relocation, and construction for phase I. The project can be built in phases to better absorb cost and financial constraints.

DISCLOSURES

A pedestrian impact analysis has been completed for this project.

COORDINATION

DPS, DEP, SHA, M-NCPPC, PEPCO, Washington Gas, WSSC, Verizon
