## PROJECT DESCRIPTION

This project is part of the Smart Growth Initiative Program and provides for land, planning, design and construction of the relocation and planned expansion of the existing Liquor Control warehouse located on Crabbs Branch Way, into the 200,000 square feet Finmarc building at 200 Edison Park Drive in Gaithersburg. The project provides for the consolidation of all Department of Liquor Control functions including all administrative functions, and liquor, wine, and packaged beer storage space.

## ESTIMATED SCHEDULE

Completed in 2013.

## PROJECT JUSTIFICATION

---

The Shady Grove Sector Plan has identified county owned properties on the east and west side of Crabbs Branch Way, including the current Department of Liquor Control (DLC) warehouse, for future transit oriented development. Relocation of the current Liquor warehouse is also necessary to implement the County Executive's Smart Growth Initiative. The Department of Liquor Control needs a larger warehouse with air-conditioned space. Combined leased space and the existing warehouse are inadequate for its needs. Various beer manufacturers require their beer to be stored at specific temperatures. The existing warehouse cannot meet these temperature requirements. The warehouse is also used for storing other temperature-sensitive products, including wine. The existing warehouse is the designated work place for permanent, full-time County employees. It is currently the only County non-air-conditioned worksite. In order to implement the County's Shady Grove Sector Plan which would capitalize on the existing investment in mass transit by creating a transit-oriented development community, the County Service Park must be relocated. Relocation of the facilities at the County Service Park will enable the County to realize both the transit-oriented development intended for the area and to address unmet needs. Plans and studies for this project include: Program of Requirements (POR), Department of Liquor Control, Temperature Control Warehouse Expansion, June 13, 2003; M-NCPPC Shady Grove Sector Plan, approved by the Montgomery County Council, January 2006, adopted by the M-NCPPC, March 15, 2006; Montgomery County Property Use Study Updated Briefing to County Council, April 29, 2008 (based on Staubach Reports); Montgomery County Smart Growth Initiative Update to County Council, September 23, 2008.

## FISCAL NOTE

The Department of Liquor Control Fund will finance the cost of this project. This project is not appropriated through the Montgomery County Government's Capital Budget. An amendment to Resolution #16-676 authorized financing of this project.

## DISCLOSURES
