## PROJECT DESCRIPTION

Based on the KFI assessment data, various building systems upgrades/replacements and programmatic requirements are needed for this school. Therefore, the requested FY 2021-2026 CIP includes funding for a Major Capital Project at this school. It is anticipated that this Major Capital Project will include a significant addition that both addresses programmatic requirements, as well as increases capacity. Due to fiscal constraints, the County Council, in the adopted FY2021-2026 CIP approved the completion date for this project one year beyond the Board of Education's request. An FY 2023 appropriation will be requested for the architectural planning and design for this project. This Major Capital Project is scheduled to be completed September 2026.
