PROJECT DESCRIPTION

Battery Lane Urban Park is a 1.9-acre existing park located at the edge of the Bethesda Central Business District. The approved facility plan includes the renovation of the following amenities in the park: tennis court, enlarged playground, walking path, basketball court, improved entryway, lighting, seating, drinking fountain, landscaping, and bike racks. The plan provides for better maintenance access. Due to fiscal constraints and changes in recommendations for this park from the staff draft of the Bethesda Downtown Plan, the funding for the project has been reduced to only renovate the playground, which is well beyond its lifecycle for replacement. Redevelopment of the entire park is on hold.

PROJECT JUSTIFICATION

The Woodmont Triangle Amendment to the Sector Plan for the Bethesda CBD (2006) lists Battery Lane Urban Park as a priority public amenity and facility. The park is one of the two major green spaces within the Woodmont Triangle area. The Facility Plan was approved by the Planning Board on July 30, 2009.

FISCAL NOTE

FY14 Supplemental Appr. of \$1.93m (\$860k in State Aid, \$1.07m GO Bonds). Funds for this project were originally programmed through Bikeway Program-Minor Projects (CIP #507596).

DISCLOSURES

A pedestrian impact analysis has been completed for this project.

COORDINATION

Developer, Montgomery County Planning Department
