PROJECT DESCRIPTION

Projections indicate that enrollment will exceed capacity through the six-year planning period. In addition, based on the KFI assessment data, various building systems upgrades/replacements and programmatic requirements are needed for this school. Therefore, the requested FY 2021-2026 CIP includes funding for a Major Capital Project at this school. An FY 2021 appropriation is requested for the architectural planning and design for this project. This Major Capital Project is scheduled to be completed September 2023.
