PROJECT DESCRIPTION

This project addresses countywide ballfield needs by funding ballfield-related improvements on parkland, school sites, and other public sites. Improvements may include, but are not limited to, ballfield lighting, irrigation, drainage improvements, bleachers, fencing, backstops, soil improvements, turf and infield establishment/renovation, reconfigurations, program support elements, field upgrades, grading, pavements, site amenities, etc. and are often combined with other projects. It will also fund conversion of the existing softball field to a baseball field at Johnson's Local Park, in conjunction with additional improvements and upgrades, including historic interpretation, being funded out of other projects and programs. Generally, ballfields to be constructed as part of new park construction or reconstruction will be shown in the individual new park construction and/or reconstruction PDFs.
