PROJECT DESCRIPTION

The MCPS Materials Management Warehouse serves the critical mission of storing and delivering necessary educational materials to all schools and office the building systems and infrastructure is beyond its life-cycle. Funds included in this project will begin the search and design process to relocate this warehouse from its current location on Stonestreet in Rockville. An FY 2023 appropriation was requested to begin the architectural design for this building relocation. However, due to fiscal constraints, the County Council removed all expenditures for this project as part of the adopted FY2023-2028 CIP.
