ESTIMATED SCHEDULE

Construction on the Capital Crescent Surface Trail - Phase 1, the Woodmont Avenue Cycletrack - Phase 1, and the Montgomery Avenue/Lane Cycletrack - Phases 1, 2A, and 2B will be completed in FY22. The design of the Norfolk/Cheltenham Bikeway will be completed in FY24 with construction in FY25.

PROJECT JUSTIFICATION

The project implements improvements recommended in the Bethesda Downtown Plan (2017) and Bicycle Master Plan (2018). Additionally, it will help the County achieve its non-auto-driver mode share (NADMS) goals and the goals under the County Executive's Vision Zero initiative to reduce roadway crashes with severe injury and death to zero by 2030. These pedestrian and bike facilities will also help the County address the climate action plan.

OTHER

The scope of work was planned and coordinated with local communities, property owners, and the Bethesda Urban Partnership before cost estimates for final design and construction were developed. Costs have been further refined.

FISCAL NOTE

Funding switch between GO Bonds (-\$100,000) and Developer Payments (\$100,000) in FY23.
