PROJECT DESCRIPTION

The project is to build a 3,600 square feet hangar, which the Revenue Authority will own, on the North End portion of the Airpark property. This hangar is part of the current Airport Layout Plan and has undergone a Federal Aviation Administration Environmental Review. The funding for the project is part of the Bipartisan Infrastructure Bill.

LOCATION

7940 Airpark Rd, Gaithersburg, MD 20879

PROJECT JUSTIFICATION

Due to a recent environmental assessment from the FAA and talks with the Revenue Authority Airport Consultant, the FAA has

identified a need to build a new hanger on the North End portion of the Airpark property. The project is primarily funded by the FAA, with a small contribution from the Revenue Authority. The Revenue Authority will lose this funding if they do not start the project before December 2025.
