An FY 2022 supplemental appropriation was approved to accelerate the FY 2023 appropriation request to provide relocatable classroom placement for the 2022-2023 school year. An FY 2022 supplemental appropriation of \$3 million was approved to implement the Wellness Program Initiative and provide Wellness spaces at high schools in Montgomery County that currently do not have a Wellness Center. An FY2023 supplemental appropriation was approved to accelerate the FY2024 appropriation for the placement of relocatable classrooms for the 2023-2024 school year to address enrollment growth and overutilization at schools throughout the county, to address increases in construction costs, as well as to implement the new *Blueprint for Maryland's Future* for schools that are currently overutilized. An FY 2025 appropriation was approved for the placement of relocatable classrooms for the 2024-2025 school year as a result of overutilization at schools throughout the county, as well as to fund the placement of relocatable classrooms for pre-kindergarten as a result of the *Blueprint for Maryland's Future*. As part of the County
