## PROJECT DESCRIPTION

This project provides for the acquisition, planning, design, construction, repair, renovation, reconstruction, site improvements, and capital equipping of an Olney community building. A community use space was originally planned to be delivered in conjunction with the renovation of the Olney Police Substation project. Due to site constraints, a meaningful community space is not feasible as part of the substation project. The Department of General Services, in collaboration with the Olney Chamber of Commerce, identified a separate site as a viable alternative.

## LOCATION

17831 Georgia Avenue, Olney, Maryland 20832

## ESTIMATED SCHEDULE

---

Site acquisition will occur in FY25. Renovation of the building is anticipated for FY26.

## **PROJECT JUSTIFICATION**

One of the goals of the 2005 Olney Master Plan is to create a civic center. The plan states that in 2000, the Olney Community Center Task Force, a joint effort by the Greater Olney Civic Association and the Olney Chamber of Commerce, requested that the County locate a permanent home for a number of County services. As the goal of creating a civic center has not been realized, this acquisition is an alternate way to provide community meeting space.

## **OTHER**

Land cost will be transferred from Advance Land Acquisition Revolving Fund (ALARF): MCG (P316222).

## **FISCAL NOTE**

State aid received in FY26 but building acquisition to occur in FY25 via Advance Land Acquisition Revolving Fund (ALARF).

## **DISCLOSURES**

The County Executive asserts that this project conforms to the requirement of relevant local plans, as required by the Maryland Economic Growth, Resource Protection and Planning Act.

## **COORDINATION**

Department of General Services, Mid-County Regional Services Center, Olney Chamber of Commerce, and State of Maryland.
