Expenditure / Encumbrances	776		
Unencumbered Balance	75		

PROJECT DESCRIPTION

This PDF funds development of local park projects in conjunction with public agencies or the private sector. It allows M-NCPPC to participate more efficiently in sequence with private developments. The PDF may fund improvements on park property, school sites, other public sites or private properties. This project supports design, plan review, permitting, construction, construction management, and related activities associated with capital investments that may result from Planning Board approved public-private partnerships.

COST CHANGE

Increase due to the addition of FY31 and FY32 to this ongoing project.

PROJECT JUSTIFICATION

2012 Parks, Recreation and Open Space (PROS) Plan identified needed recreational facilities, e.g. ballfields, tennis and multi-use courts, playgrounds and infrastructure. Also, area master plans; Planning Board approved subdivisions and site plans.

FISCAL NOTE

Prior year partial capitalization of expenditures through FY16 totaled \$1,858,000.

DISCLOSURES

Expenditures will continue indefinitely.
