The complete file may be reviewed in the Office of Zoning and Administrative Hearings (OZAH), 100 Maryland Avenue, Room 200, Rockville, Maryland 20850, Monday through Friday, between the hours of 9:00 a.m. and 4:00 p.m., prior to the date of the hearing.

In compliance with Maryland requirements regarding the practice of law, groups or associations must be represented by counsel, unless their witnesses are members of the group or association and will offer testimony in narrative form (*i.e.*, there is no need for an attorney to conduct a direct examination). Nothing in this notice is intended to limit the rights of individual members of the public to testify during the hearing or to submit pertinent written materials at any time while the record remains open for that purpose.

Persons or associations represented by counsel or intending to appear in organized opposition to an application must file a pre-hearing statement with OZAH, in duplicate, no later than twenty days before the hearing date. Such persons or associations must also provide copies to all parties of record and the Planning Department. An electronic copy must also be provided to OZAH at the same time. The statement must include the following information:

- copies of all reports intended to be introduced at the hearing;

Amended electronic copies must also be submitted of any plans, photographs, statements of operations or expert reports that are modified during or after the hearing.

A public review of this application will be scheduled by the Montgomery County Planning Board, after its Technical Staff has reviewed the application. You may provide facts and opinions to Technical Staff during their review, and you may also testify briefly before the Planning Board. The Planning Board will then make a written recommendation to the Hearing Examiner assigned to this case by the Office of Zoning and Administrative Hearings (OZAH), and the Hearing Examiner will conduct the hearing at the date, time and place specified on the first page of this notice.

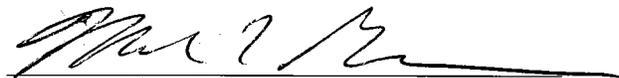

Following the OZAH hearing, the Hearing Examiner will submit a report and recommendation to the County Council, which will make the final decision on this application at a public Council session. The County Council is required to make its decision in a Development Plan Amendment case based solely on the evidence in the record compiled by the Hearing Examiner, and on oral argument at a public Council session, if it elects to permit such argument. Neither the applicant nor a member of the community may communicate directly to individual Council members about a pending development plan amendment case. The law prohibits such direct, private communication because it would not give other parties a fair opportunity to dispute the information provided or to provide contrary information.

If you need services to participate in the public hearing, please contact us as far in advance as possible by emailing us at [ozah@montgomerycountymd.gov](mailto:ozah@montgomerycountymd.gov) or calling 240-777-6660 (TTY 240-777-7914).
