Following the OZAH hearing, the Hearing Examiner will submit a report and recommendation to the County Council, which will make the final decision on this application at a public Council session. The County Council is required to make its decision in a Local Map Amendment case based solely on the evidence in the record compiled by the Hearing Examiner, and on oral argument at a public Council session, if it elects to permit such argument. Neither the applicant nor a member of the community may communicate directly to individual Council members about a pending rezoning case. The law prohibits such direct, private communication because it would not give other parties a fair opportunity to dispute the information provided or to provide contrary information.
