# REVISED NOTICE REGARDING LOCAL MAP AMENDMENT APPLICATIONS FILED AFTER MAY 1, 2014<sup>1</sup>

On March 4, 2014, the Council voted to approve a new Zoning Ordinance, effective October 30, 2014 (Ordinance No. 17-43; Zoning Text Amendment No.: 13-04). The new law went into effect on October 30, 2014. Among other things, it governs applications for Local Map Amendments which are reviewed by the Office of Zoning and Administrative Hearings (OZAH).

On July 15, 2014, by Resolution No. 17-1168, the Council approved a comprehensive fee schedule for all applications filed with OZAH on and after October 30, 2014. The fee schedule was amended effective September 14, 2016, in Resolution No. 18-601. That amended fee schedule is set forth on this website.

Also linked to OZAH's website are OZAH's Rules of Procedure for Zoning, Conditional Use and Board of Appeals Referral Cases (a/k/a, "OZAH's Amended Land Use Rules of Procedure - effective April 25, 2017"). These amended Rules were adopted by the Council in Council Resolution 18-780.

To facilitate processing of LMA applications, the following Checklist describes what an Applicant must file under the 2014 Zoning Ordinance, and where to go for a pre-filing review of completeness, as required by the Zoning Ordinance.

The Local Map Amendment Application Form follows the Checklist, below.

#### **CHECKLIST FOR LOCAL MAP AMENDMENT (LMA) APPLICATIONS**

#### Requirements for Local Map Amendment (LMA) Applications:

The applicant must submit four sets of its application and documents to the Maryland-National Capital Park and Planning Commission (M-NCPPC) Technical Staff, at 8787 Georgia Avenue, Silver Spring, (301) 495-4610, www.montgomeryplanning.org, for its assessment and certification of completeness. Twenty-five percent of the filing fee approved by the District Council must be paid directly to the Planning Department when the application is submitted for verification of completeness. Payment of the remaining 75% of the filing fee and the entire sign fee approved by the District Council must be included with the application when it is filed with OZAH. Once Technical Staff certifies completeness of the application, the applicant must file the certified original and fees with the Office of Zoning and Administrative Hearings (OZAH), which will accept the application, if it meets all filing requirements, and establish a hearing date. OZAH will maintain the original certified application and the file; three complete copies of the application will be retained by M-NCPPC Technical Staff for its review and recommendation on the merits.

As provided in Section 59.7.2.1.B.1. of the 2014 Zoning Ordinance, the applicant must be a government agency, own the subject property, or be authorized by the owner to file the application. If any land or right-of-way is owned or controlled by the State, County, or any other entity or agency, the applicant must submit written authorization from that entity or agency with the application.

The documents to be submitted by the Applicant are listed on the next two pages, followed by the Application Form and other related forms.

#### NOTICE TO APPLICANTS PROPOSING BINDING ELEMENTS IN A FLOATING ZONE PLAN

Under the provisions of Zoning Ordinance §59.7.2.1.B.2.g.iv., an applicant who proposes a binding element must submit an unexecuted covenant suitable for filing in the land records reflecting any restriction on the development standards, development program, or use that will be applicable to the property if the District Council approves the application.

Under the provisions of Zoning Ordinance §59.7.2.1.F.3.a,

- a. Before the close of the administrative record the applicant must submit to the Hearing Examiner an executed covenant that reflects any restriction on the development standards, development program, or use in the approved floating zone plan.
- b. The executed covenant must also state that the restricted development standards, development program, or use remain in full effect until the property is rezoned or the floating zone plan is amended and an amended covenant is executed and recorded.
- c. The applicant must file the executed covenant in the land records of Montgomery County within 10 days after approval of the application by the District Council and submit certification of such filing to the Planning Board with the site plan application. The Planning Board must not accept a site plan application without this certification.

In order that the covenants contain enough information to meet the objectives of the Zoning Ordinance, the following minimum provisions must be included:

- 1. executed by all persons having a property interest, including both contract purchasers and property owners;
- 2. bind all successors in interest and run with the land, unless the property is rezoned to another classification or the development plan modified by the District Council;
- 3. contain a complete and accurate description of the subject property;
- 4. incorporate by reference any applicable floating zone plan, by exhibit number, and specify with particularity all binding elements of the plan, or in the absence of a plan, all binding elements pertaining to the application;
- 5. contain a provision that enures to the benefit of Montgomery County and provides that the covenants may be enforced by the County or other appropriate government agencies; and
- 6. contain a provision that amendments to the covenants may only be made by the declarant or successors in interest to conform with modifications approved by the District Council or other appropriate government agencies.

Model Covenants are attached hereto.
