To: Paul Eisenhour, Chair - LWCC BOD

As previously informed - I am unable to write copious notes as a result of my right hand/wrist being permanently disabled in an accident.

This is to reiterate the request that you acknowledge the reasonable accommodation previously approved for recording meetings.

Good evening all:

Just a reminder – if someone desires to use an electronic device to “take notes” during an open meeting, they should be allowed to do so. **This has been the subject of a discrimination complaint** and I believe our current organizations are complying with this policy and will continue to do so.
