

## **NOTICE REGARDING CONDITIONAL USE (FORMERLY “SPECIAL EXCEPTION”) APPLICATIONS FILED AFTER OCTOBER 29, 2014**

On March 4, 2014, the Council voted to approve a new Zoning Ordinance, effective October 30, 2014 (Ordinance No.: 17-43; Zoning Text Amendment No.: 13-04). The new law was amended on September 30, 2014, in Zoning Text Amendment 14-09 (Ord. No. 17-52). The new Zoning Ordinance changes the term “special exception” to “conditional use.” More importantly, it makes substantive changes in the various uses requiring approval as conditional uses (*See generally*, Chapter 59-3 of the new Zoning Ordinance), and modifies the procedures to be followed in the filing and processing conditional use applications. *See generally*, Chapter 59-7 of the new Zoning Ordinance.

The two major procedural changes with regard to conditional use applications concern where they are to be filed and which agency makes the decision on the application. Under the old Zoning Ordinance, most special exception applications were filed with the Board of Appeals. Under the new Zoning Ordinance, ALL conditional use applications will be filed with the Office of Zoning and Administrative Hearings (OZAH), after being reviewed and certified for completeness by the Montgomery County Planning Department. The decisions in all conditional use cases will be made by OZAH after a hearing, and those decisions will be final unless a party files a request for oral argument with the Board of Appeals.

A checklist detailing the filing procedures is attached hereto, as well as applicable forms. Note that there is a specific application form for accessory apartment conditional uses and a separate form for all other conditional use applications. The accessory apartment application form was revised on 6/24/16.

Telecommunication tower applications must include an approved Forest Conservation Plan or a letter from the Planning Department confirming that a Forest Conservation Plan is not required under Chapter 22A. Photographic simulations of the tower and site seen from areas with a direct view of the tower, including a minimum of at least 3 directions, must also be included.

Applications for a Day Care Facility Conditional Use, as defined under Zoning Ordinance §59-3.4.4, should specify the number of children to be cared for.

To implement the new Zoning Ordinance, the Council also adopted new filing fees for conditional uses (Resolution No. 17-1168) and approved new Rules of Procedure to govern all OZAH proceedings in zoning matters, conditional use cases and referrals from the Board of Appeals (Resolution 17-1210). The new fee schedule and the new rules are set forth on this website. OZAH will be recommending slight modifications to its new rules to incorporate the changes made by ZTA 14-09. None of the proposed rule modifications, which are pending before the Council, will affect conditional use applications.

Applications to modify a special exception approved prior to October 30, 2014, are governed by the old Zoning Ordinance, pursuant to Section 59-7.7.1.B.1 of the new Zoning Ordinance, with certain exceptions specified in Sections 7.7.1.B.3. and 7.7.1.C. of the new Zoning Ordinance. If a Special Exception was granted by the Board of Appeals prior to October 30, 2014, applicants to modify that special exception must apply to the Board of Appeals. If a Special Exception was granted by the Hearing Examiner prior to October 30, 2014, applicants to modify that special exception must apply to the Hearing Examiner.

Applications to modify a Conditional Use are governed by Section 59-7.3.1.K. of the new Zoning Ordinance and OZAH’s new Rules 25 and 26. The treatment accorded such applications is determined by whether they are defined as major or minor amendments under the Zoning Ordinance.
