

PLEASE HELP US KEEP AN EYE OUT FOR OUR CHILD WHO HAS AUTISM

We have a child who has Autism. Our child's name is _____.
He/she is _____ years old.

We watch our child very carefully, but sometimes he/she unpredictably wanders away.

If you see our child and he/she is alone please call _____.
We are probably already looking for him/her.

If you can not reach me at the number above
Please also call 911 and tell them that you have found our child.

_____ does not speak very well . Our child does not appreciate danger.
He/she might approach a dog or walk into the street without looking. He/she might walk in your house if a door is open.

_____ will become lost very easily and not know he/she is lost. If you ask our child a question he will likely not answer.

_____ may seem to be deaf. However, our child can hear. But he/she does not appreciate or act upon things that he hears or sees.

Thank You,
