

Start Composting Yard Trim at Home!

Backyard Compost Bin Pick-Up Event - April 1st!

Get your backyard compost bin, at no additional charge, during this compost bin pick-up event.

When:

Friday, April 1, 2016

4:00 to 7:00 p.m. (or while supplies last)

Where:

Meadowside Nature Center

5100 Meadowside Lane, Rockville, MD 20855

Open to residents of Montgomery County, MD only. One compost bin per household and while supplies last. Can't make it to this event? For a complete list of locations where you can pick-up a compost bin, see www.montgomerycountymd.gov/yardtrim.

Why compost yard trim such as leaves, grass clippings and garden trimmings at home?

- Yard trim becomes a nutrient-rich soil conditioner
- Adding composted material to soil improves drainage which slows runoff from rain and melting snow helping to prevent soil erosion, protecting the quality of our water
- Reduces the amount of time needed to place yard trim materials in paper lawn bags or in reusable containers for weekly curbside recycling collection
