Subject: MEET THE PRODUCERS meeting of the Montgomery County Food Council

Dear Jeremy,

As promised, here is an invitation that you can forward to **Montgomery County produce farmers and local food and beverage producers** to participate as speakers in the next public meeting of the Montgomery County Food Council (<http://mocofoodcouncil.org/>):

MEET THE PRODUCERS
Wednesday, May 7, 7-9 p.m.
Agriculture History Farm Park - Main Auditorium
18400 Muncaster Rd.
Derwood, MD 20855

This will be an opportunity for consumers and restaurateurs to hear from local farmers and food and beverage producers, learn about produce farming methods and issues and taste local, sustainable food and beverages. Montgomery County beekeepers will discuss bee keeping methods and issues.

Farmers! You can tell your story--the products your farm offers and the challenges you face.

Local food and beverage producers! Montgomery County residents are hungry for your products. Let us know what you make and how to find your wares. It would be wonderful, if you were able to bring samples.

Please contact me to discuss any questions: 301-512-8631. The Communications Committee needs to know who will participate, so that we can promote your company name on social and conventional media as a speaker at the upcoming meeting.

I have info-copied Jessica Weiss, the Food Council Coordinator, to keep her in the loop of developments.

Thanks so much,

Sheila
