Hello Linda,

I will not be able to attend the Community meeting on Seneca Store as the rescheduled date is the same day as the Montgomery County Farm Bureau Board of Directors.

As I have informed the agricultural organizations regarding this community meeting the farmers have been asking me what the MNCPPC plans to do with the Seneca Store.

Would it be possible for someone on the staff to contact me and let me know what the future plans are for the Seneca Store since I cannot attend the meeting on January 7, 2014.

Please let me know.

Thanks J
