BCC CONVERSATION CLUB

The BCC Conversation Club is an opportunity for non-native English speakers to practice speaking English. Two volunteer facilitators provide a timely discussion topic each week as the basis for Conversation Club participants to share their experiences and their countries' culture.

We meet weekly on Wednesdays 11:00 AM to 12:30 PM between mid-September and the end of May. Our fifth year begins on September 10, 2014. The Bethesda Chevy Chase Regional Services Center (4805 Edgemoor Lane, Bethesda, Maryland 20814; website for directions: www.montgomerycountymd.gov/bcc) has provided Conference Room C, 2nd floor for our use. The Regional Services Center is located across the street from the Bethesda Metro station (Red Line Metro and bus). Participants who live near downtown Bethesda can walk to the Services Center. A public (pay) parking lot is downstairs in the building.

BCC Conversation Club meetings are free. The club is not a class with sequential lessons; thus, participants can attend as it suits their schedules. Attendees from many countries (26, in 2013/14) are in the Washington, DC area for various reasons (World Bank, NIH or embassy spouses; au pairs, etc.). Our weekly meetings are lively, as there is much to learn and share.

Please feel free to contact us if you would like additional information:
