Minutes

Persons Present:

Stacey McNeely, 2022-2023 Chair

Welcome

Stacey McNeely called the meeting to order. The group acknowledged that there was not a sufficient quorum of meeting members in attendance to address panel business. The panel agreed to adjourn the meeting. Ms. McNeely will reach out prior to the July 12 meeting to determine if a quorum is possible or if the panel should observe a summer hiatus for the full group meeting and focus on sub-group action items.

Agency Report

Ms. Lisa Merkin provided a brief update that the public media campaign for resource home recruitment by the agency is moving forward on both English and Spanish radio.

MCCRP Committee

Ms. McNeely will send an email out to the panel regarding completion of the General Volunteer Registration Form for the County.
