MEMORANDUM

August 8, 2014

TO: Distribution

FROM: Margie Williams, Tower Chairperson
Transmission Facility Coordinating Group (TFCG)

SUBJECT: TFCG Notice of Action for the August 6, 2014 Meeting

At its meeting of August 6, 2014, the Montgomery County TFCG voted to **RECOMMEND** the following applications:

- Verizon application to replace six antennas with nine panel antennas, three at 72"-high, three at 69"-high and three at 48"-high, at the 96' and 106' levels on a 112'-high water tank on WSSC property located at 17710 Buehler Road in Olney (201406-29). *Minor Modification.*
- T-Mobile application to add three 96"-high panel antennas at the 55' level on a 61'-high silo on Steven H. Steinberg property located at 15021 Dufief Mill Road in Gaithersburg (201407-28). *Minor Modification.*
- Washington Gas application to construct a 145'-high monopole and attach two microwave dish antennas, one 4'-wide at the 109' level and one 3'-wide at the 140' level on Washington Gas property located at 11801 Nebel Street in Rockville (201408-02). *New.*

Conditioned on the applicant providing written approval from MCPS at the time of permitting that the public schools has approved the attachment of the antennas

- Sprint application to add three 56"-high panel antennas at the 150' level on a 150'-high monopole on MCPS property located at 300 Olney Sandy Spring Road in Sandy Spring (201407-06). *Minor Modification.*

Conditioned on the applicant providing written approval from WSSC at the time of permitting that they approve the attachment of the antennas

- T-Mobile application to replace three antennas with three 96"-high panel antennas at the 93' level atop a 125'-high water tank on WSSC property located at 21701 Ridge Road in Germantown (201407-13). *Minor Modification.*

Conditioned on the applicant providing written approval from MCPS at the time of permitting that the public schools has approved the attachment of the antennas

- T-Mobile application to add three 96"-high panel antennas on 9 monopoles. See attached list for property owners and addresses (201407-27). *Minor Modification.*

Conditioned on compliance with section 59-A-6.14 for screening and exterior of the generator and equipment shelter

- Verizon application to attach 12 panel antennas, six at 95"-high and six at 48"-high, at the 91', 92', and 104' levels on an existing 85'-high hospital on Montgomery General Hospital property located at 18101 Prince Philip Drive in Olney (201408-01). *Co-location.*
