NOTICES OF CLAIM

The Local Government Tort Claims Act requires any person who has been injured by a local government and who intends to sue to send a Notice of Claim to that local government within 180 days from the date of injury.¹ Without this notice, persons generally are not permitted to sue a local government or government employee.

This chart represents a month-by-month comparison of the Notices of Claim received by Montgomery County from January 2010 through March 2013.

¹ The Local Government Tort Claims Act is in Sections 5-301 through 5-304 of the Courts and Judicial Proceedings Article of the Maryland Code Annotated. A local government, for purposes of the Act, includes all Maryland counties, Baltimore City and various municipal corporations.
