

LIST OF POTENTIAL ROADS FOR ADOPTION

Effective 8/24/2009

The following is a list of roads Montgomery County Department of Transportation (MCDOT) has identified as good candidates for adoption. They represent road segments previously adopted or areas where litter is known to be especially prevalent.

The Adopt-A-Road program allows citizens and businesses of the County to participate in a community activity by keeping roads clean and litter free. Currently, there are over 250 participants in the program who have agreed to keep the road of their choice as clean as possible, with at least four major road clean-ups per year. In exchange for their cooperation and participation, a sign bearing the name of the organization or individual may be erected to recognize the participant. However, a sign is not necessary to participate in the program.

This program helps in minimizing the accumulation of litter and debris in the public rights-of-way. When left uncollected, litter and debris will be washed into the storm drains, and ultimately into the watersheds that feed into other water systems. Since the County has no funded litter collection program, the Adopt-A-Road program is a valuable tool in helping to keep our roads and streams environmentally healthy.

If you would like to adopt one of these road segments, contact MCDOT's Community Outreach office at 240-777-7155 or mcdot.outreach@montgomerycountymd.gov and request an Adopt-A-Road application.

Road Name	Start Intersection	End Intersection	Miles
Barnes Rd			
Bel Pre Road	Layhill Rd	Rippling Brook Drive	
Bel Pre Road	Georgia Ave	Norbeck Rd (Rt 28)	
Bel Pre Road	Homecrest Road	Connecticut Ave	
Blunt Rd	Watkins Mill Rd	Scenery Dr
