

# FARE CHANGES ON ROUTES 93, 96 AND 70

**EFFECTIVE: WEDNESDAY  
JULY 1, 2009**

On Wednesday, July 1, 2009, the fare changes below will take place. A public hearing was held April 21st and subsequently the proposed changes were approved by the Montgomery County Council.

## **Route 93 and Route 96**

The fares on Routes 93 and Route 96 will become regular fares, now matching fares on other Ride On and Metrobus routes. The fares will be:

**Regular Fare using cash**                      **\$1.35**

**Regular fare using SmarTrip®**      **\$1.25**

Riders using SmarTrip will receive all the advantages of the card including:

- Free transfers to other buses
- Discount of \$.50 when transferring to and from Metrorail

## **Route 70**

Express fares will be charged on this route. This is the same fare charged on express Metrobus routes in the region with comparable—and in some cases shorter—non-stop distances.

**Express fare using cash**                      **\$3.10\***

**Express fare using SmarTrip**              **\$3.00\***

\*As information: These are Metrobus' J7 & J9 fares effective June 28, 2009.

**Riders using SmarTrip** transferring from a local regular fare route to an Express will have the difference of \$1.75 automatically deducted from their card.

**Ride On's Monthly Pass, Metro's Weekly Pass, and the Regional One Day Pass** will be good for \$1.25 credit towards a one-way Ride On Express fare.
