Dear Mr. Unger:

We appreciate your letter to County Executive Leggett in support of our Victory Oaks at St. Camillus project. With support from organizations like yours, we will be able to move forward toward our goal of building high-quality rental housing to serve very low-income seniors in the Silver Spring area. We are working now with members of the development team to complete the local special exception review process.

Thank you again for your support. If you have any questions, please do not hesitate to contact us.

Sincerely,

James A. Brown, Jr.
President
